

### **2.6.1 Program outcomes, program specific outcomes and course outcomes for all programs offered by the Institution are stated and displayed on website and communicated to teachers and students**

- The Institute has contributed, in large part, to the recommendations of the UGC on Evaluation Reforms in Higher Educational Institutions in India. The recommendations provide necessary mechanisms to implement outcome-based education in Educational Institutions in India.([https://www.ugc.ac.in/pdfnews/4258605\\_Report-of-the-Committee-on-Evaluation-Reforms.pdf](https://www.ugc.ac.in/pdfnews/4258605_Report-of-the-Committee-on-Evaluation-Reforms.pdf)).
- Program Education Objectives, Program Outcomes and Course Outcomes for all programs offered by the Institute are clearly stated, displayed on the DEI website and communicated to teachers and students.
- The ISM for Higher Education Policy System of DEI clearly defines Aims and Objectives of the Institute in developing a well-rounded person. These Aims and Objectives have been the foundation for defining the Program Education Objectives (PEO) of every program conceptualized and designed in the institute.
- The PEOs have been categorized in to three sections such as Academic Values, Social Sensibilities and Moral and Spiritual Values. Integrating different stakeholders of the systems, the competencies and the performance Indicators for each of the Program Education Objectives are also defined and which in turn lead to design of comprehensive course level competencies and performance indicators. Programme Assessment Plan detailing the different Assessment types are also designed.
- Program outcomes are derived from the Program Education Objectives and are fine tuned to the specifics of each program.
- All students are apprised of the objectives and expected outcomes of their programme on admission during the compulsory Orientation programs. Students are also educated and provided with the detailed syllabus and course outcomes in each course and the assessment strategy for each course.
