Manager- Human Resource

TO WHOMEVER IT MAY CONCERN

This is to certify that Miss Soumya Jain worked in our firm **M.S. Satsangi & Associates** at A-1, Soami Nagar, New Delhi in the month of May 2018. The intervening period should be considered as the training experience in her profile.

She has worked under several below mentioned projects given in the above period:

1. Residential Projects:

- a. B-3, Soami Nagar, New Delhi- drafting of plan on Autocad
- b. B-61, Soami Nagar, New Delhi- estimation of materials
- c. Worked on BOQ & studied different components of a building

During the tenure, she had shown good enthusiasm to learn and progress. She has been able to fulfill all expectations satisfactorily.

It was pleasant having her in our office. My hearty wishes to her for the future.

Yours Sincerely,

22/06/2018.

Recommendation letter for Mudit Goswami**

M. Mudit Goswami was working on a gesture recognition research project in my laboratory LARi UQAC during the summer 2018. M. Goswami was in a team project with one master and one Ph.D. students. At the end, he successfully integrated Caffe - The Deep Learning Library - using convolutional neural network for foot gesture recognition in order to command a collaborative robot (COBOT). The title of his research project was: Human-robot Interaction using foot gestures with CNN in an assembly process.

I was the supervisor for this period and the project was successfully accomplished. Then, I am pleased to support Mudit Goswami as his drive and skills demonstrated his ability to carry out complex projects such as Machine Learning design for gesture recognition. M. Mudit Goswami demonstrates good aptitude in problem solving and great leadership.

I am happy to furnish more details if you would like additional information about this candidate.

To Whomsoever It May Concern

This is to certify that **Ms. Raginee Pachaury** worked as the Software Engineering, Cryptography and Blockchain Development intern with **The SAAS Group** <<https://www.tsaasg.com/>> from **April 01, 2018** to **August 31, 2018** to our great satisfaction. Following is the summary of her work while she was an intern with us:

1. She developed end-to-end finance and education applications on top of various Distributed Ledgers (blockchains), e.g., Hyperledger Indy, Fabric and Stellar.
2. She learned and implemented core Cryptography Protocols used in aforementioned applications.
3. She gained a deep working knowledge in Enterprise Software Application Development, and learned various technologies and frameworks prevalent in the industry and Open Source Software Applications, e.g., Python, Java, MongoDB, JavaScript and NodeJS. She also successfully completed the required coursework (for the assigned tasks), e.g., "Cryptography - I" offered by Prof. Dan Boneh (Stanford University) on Coursera.

During this period, we found *Raginee* to be a sincere, honest, hardworking and dedicated individual with great passion and unmatched skills. We found her attitude amiable and polite. We wish her every success in life.

(Anupam Gupta)
Chief Scientist and Technology Officer,
The SAAS Group - UK.

CERTIFICATE OF INTERNSHIP

This is to certify that

Ms. Ritika Agrawal

a registered student of
Dayalbagh Educational Institute
(B.Tech- Faculty of Engineering), Agra

participated and successfully completed a period of internship programme

as IT trainee

between 05.04.2018 and 31.08.2018

within the framework of Camncloud Student Engagement Program, on
Python & Machine Learning, at Noida Office. During the period of her
internship programme with us, she was found punctual,
hardworking and inquisitive.
