ABOUT DAYALBAGH EDUCATIONAL INSTITUTE

The Dayalbagh Educational Institute (DEI) was founded in 1917 as a co-educational middle school, the Radhasoami Educational Institute, by the August founder of Dayalbagh, Sir Anand Sarup. The Dayalbagh community emphasizes nurturing of one's spiritual and intuitive faculties through Surat Shabd Yoga. Dayalbagh itself is a century-old, living example of cooperative co-existence, self-sufficiency and self-reliance, untouched by the swinging pendulum of inflation, and DEI was nurtured with these same set of values, practices and morals.

The Dayalbagh Educational Institute is located in Agra amidst the tranquil environs of Dayalbagh, a self-contained colony renowned for its serene environment and secular establishments, in which its inhabitants lead an active, disciplined and co-operative community life dedicated to service, conforming to the high spiritual ideals of their faith. On the outskirts of the historic city of Agra, the campus is situated in garden settings, away from the din and noise of the city. Nestled between lush green fields, it provides an excellent ambience and academic setting which is in harmony with nature. The houses and institutions, all belong to the community as a whole. People also live and work as a community. The colony has its own water supply and electricity distribution. There has been a social transformation of the community. Literacy among boys and girls is complete. There is no caste system. Fatherhood of God and Brotherhood of man is the ideal of the community and service of mankind its motto. This, along with a simple, disciplined and principled life, undoubtedly contributes to the strength of the social, moral and spiritual fibre of the Institute's educational system.

The Government of India conferred the status of a Deemed University on the Dayalbagh Educational Institute on 16th May, 1981 with the mission objective of evolving a 'complete man' providing opportunities to develop physical, mental and spiritual faculties under its unique innovative and comprehensive education policy with accent on quality. The Advisory Committee on Education (ACE) is a non-statutory body which serves as a think tank to the Dayalbagh Educational Institute and its sponsoring body, the Radhasoami Satsang Sabha, Dayalbagh. The Advisory Committee on Education (ACE) is currently chaired by Most Revered Professor Prem Saran Satsangi Sahab, Ex-Director, Dayalbagh Educational Institute and consists of academicians and experts from various national and international institutes of repute as its member. The ACE guides various stakeholders of the DEI & its sponsoring body by way of consensus building. The ACE focuses on Trinity (Triumvirate) of Innovations at the upper mode level, Qualities at the middle mode level and Values at the lower mode level particularly in the context of "Science of Consciousness". The Institute strives for Sustainable Development, through 'Sigma Attributes' of Smart, Mobile and Resilient integrated with Sigma Six Q-Vs' (Qualities and Values) of Innovation, Water Quality, Air Quality, Education and Healthcare, Agriculture and Dairy Practices and Human Values. It advocates the principle of better worldliness, to build economy through research and frugal innovation anchored in the principle of achieving more with less.

दयालबाग स्काउटझण्डा गान

सुनोभाई! इक गान हमारा, गाकर तुम्हें सुनाते हैं।
हिरदय अन्दर के कुछ भावों, खुल कर तुम्हें बताते हैं।।

दीन दुखारी देश-देश में, बहु बिधि से दुख पाते हैं।
कोई सतजन और देश-हितैषी, दुख उनके अपनाते हैं।।

सेवा जाती देश जगत की, काम बड़े कहलाते हैं।
पर हिरदय हो जिसका चौड़ा, उसके ही मनभाते हैं।।

यही भाव सेवा के साहब, हिरदय में कसकाते हैं।
तन मन होवे देश समर्पण, हर दम यही मनाते हैं।।

यही प्रतिज्ञा धार दृढ़ मनमें, मिलकर कदम बढ़ाते हैं।
नहीं कदम यह रुकेगा जब तक, झंडे यह लहराते हैं।।

CO-CURRICULAR ACTIVITIES

One of the unique features of the DEI system of Education is the emphasis on co-curricular activities with the aim to provide all round development of the students' personality. Through a structured method combining evaluation in the form of marks, participation in intra- and inter-faculty competitions and events, regular weekly classes, guidance of teachers who are experts in various fields, a student at DEI receives ample opportunities to nurture his/her talent and grow into a confident individual, skilled in some artistic pursuit and/or in games and sports.

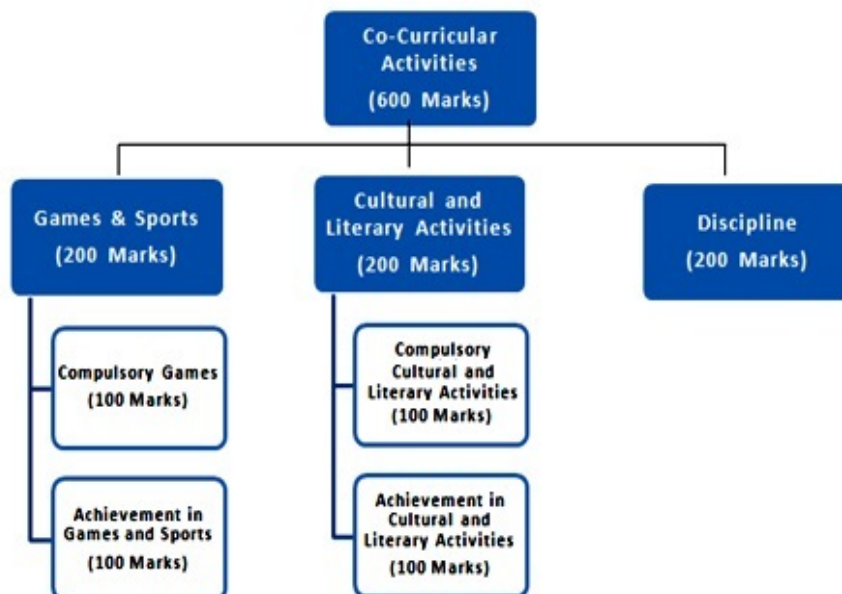

The evaluation of the overall performance of students is done at the end of the even semester of an academic session. The marks awarded in the Course are displayed on the notice board as is done for other Courses.

Co-Curricular Activities are divided into three heads, each head having a weightage of 200 marks:

1. Cultural and Literary Activities
2. Games and Sports
3. Discipline

The first two heads are further divided into two subheads each carrying 100 marks (i) Regular (Compulsory) participation and (ii) Achievements.

At the end of the session, marks are awarded, out of 200 under each head, viz. Games & Sports, Cultural & Literary Activities, and Discipline. One third of the overflow of marks under one head is added to the other head. The total marks obtained out of 600 are scaled to 200.

The Compulsory Games and Compulsory Cultural-Literary Activities are held in the regular periods allotted in the time table. For making fair assessment and imparting good training to the students during these compulsory periods, at least one teacher is deputed for every twenty students participating in regular periods of Games & Sports or Cultural & Literary Activities. For evaluating a student's achievement in these activities, competitions are organized at Intra- and Inter-Faculty level. The best performers are sent to represent the Institute in the competitions outside the Institute.

Values Education @ DEI

In the present scenario, Values Education is the missing link between quality teaching and learning practices. Today society reflects the impact of values erosion and deterioration in character and ethics. To address this issue and in pursuance with the Institute's thrust on Values-based Education and Continuous Quality Enrichment across all spheres of Teaching and Research, DEI has also launched Quality and Values Drive spanning all its Faculties, Colleges, Distance Education-ICT Centers and High Schools for Girls and Boys in India and abroad.

Academic Courses Pertaining to Indian Culture and Value - Based Education

DEI has a School of Languages where children can opt to learn more than one language of their choice from among Telugu, Tamil, Bengali, Urdu, Oriya, Punjabi,

French, and Russian. DEI also has a well-established and highly reputed Department of Music in addition to a Music Centre that teaches Indian music to children. In addition, "Indian Culture" and "Comparative Study of Religion" are integrated into the DEI curriculum as core subjects. These latter subjects are imperative to study from the point of view of keeping students moored to a value and tolerance based system of which Indians are proud. Such courses are especially relevant for children of N.R.I.'s born and brought up abroad who have no exposure to Indian Culture and are far removed from Indian values and religious traditions. DEI has also introduced a Post Graduate Diploma in Theology in the Department of Sanskrit and Culture, which now runs at two remote learning Centers in the USA: New York and Chicago. Courses on Indian Culture and Values, Indian Music, and Spoken English are slated for All-India launch during this Academic Year.

International Relations

Dayalbagh Educational Institute has partnered with premier institutions across continents not only to provide a wide-ranging exposure to its students but also to imbibe global best-practices in its model of education. This report briefly presents some models for international collaborations undertaken at the Institute, with select examples. With many world-class international institutions realizing the responsibility of educational institutions as solution-providers to global challenges such as food security, sustainable development and global peace, DEI comes across as a natural partner. The international collaborations at DEI therefore continue to grow rapidly. Some international agreements that DEI entered or renewed in the last five years include University of Waterloo, Canada, Michigan State University, USA, Kiel University, Germany, Seneca College, Canada, National Institute of Materials Science, Japan, University of Arkansas, USA, University of Manitoba, Canada, University of Edinburgh, UK etc.

CRITERIA FOR AWARD OF MARKS UNDER CO-CURRICULAR ACTIVITIES

(A) CULTURAL AND LITERARY ACTIVITIES

The following pattern shall be adopted for awarding marks to the students in Cultural and Literary Activities:

(I) COMPULSORY ACTIVITY

For each semester of an academic session, 50 marks are assigned to the compulsory periods (classes). Out of these, 20 marks are assigned for attendance in regular periods (Marks of attendance will be awarded in linear proportion to the attended periods) and the remaining 30 marks are awarded to the students for the interest, initiative, performance and discipline displayed by them in these periods.

For making assessment in the performance part, the concerned teachers will award marks for each period and the same will be informed to the students. If desired, a

few class competitions will also be arranged for making assessment in the performance part. The students will be given different choices to opt for any one of them as compulsory activity for the semester.

(II) ACHIEVEMENT

For securing the remaining 100 marks, for the entire academic session, allotted under the subhead “Achievement” under the head “Cultural and Literary Activities” students will have to display their talent and participate in the competitions which will be organized in their respective faculty/college or the Institute. The details of the competitions along with the schedule are given separately in “Student Diary”. Marks under the subhead “Achievement” will be awarded as per the following criteria:

(B) GAMES AND SPORTS

SPORTS FACILITIES

The Institute has a number of large play-grounds which fully cater to the needs for athletics and all outdoor games, like, football, hockey, cricket, basketball, lawn tennis, volleyball and kho-kho. Besides, there are indoor facilities for badminton, table tennis, etc. Games and sports are an integral part of the curriculum of the Institute. The sports department organises various activities for students like, Intra faculty tournaments, Inter faculty tournaments, Regular coaching for the Football/Volleyball, Winter and marshal art camps for women, Games and athletic meet for disabled (Divyang) athletes , Participation in inter-university tournaments etc.

The following pattern is adopted for awarding marks to the students for participation in Games and Sports:

(I) COMPULSORY GAMES

For each semester of an academic session 50 marks are assigned to compulsory games or regular games periods allotted in the time table. Out of these 50 marks, 20 marks are assigned for attendance in the regular games periods (marks of attendance will be awarded in linear proportion to the attended periods) and the remaining 30 marks are awarded to students for the interest, initiative, performance and discipline displayed by them in the games periods.

To assess the performance of students, the concerned teachers will award marks for each period and the same will be informed to the students. If desired, a few class competitions will also be arranged to assess the performance of students.

(II) ACHIEVEMENT

For securing the remaining 100 marks, allotted under the subhead “Achievement” under Games and Sports for the entire session, students will have to give evidence of their talents and exhibit good performance/achievement in the competitions which will be organized at their respective faculties/College level as well as at the Institute level.

Criteria of marks under “Achievement”

Activity	Intra-mural and Faculty level	Institute Level	Outside
Games	10 Marks to team member Captain of the Team: +5	Winner: +10 Runner: +5 Captain of the Team: +5	District level, State level, regional level, National level:+10 at each level
Sports	I: 15 II: 10 III: 8 IV, V, VI: 5	I: 20 II: 15 III: 10 IV, V, VI: 8	District level, State level, Regional level, National level, All India/North Zone participation (UGC): +10 at each level

Note: A student can participate in a maximum of five events.

Member of Band Squad	20
Member of Musical Drill/Marshal Arts	10
Member of March Past Squad	10
Winner of March past	+10
Runner of March past	+5

Volunteership at the College/Faculty and Institute Level: Games Committees of the respective Faculties/College/Institute may award up to a maximum of 30 marks in the entire session to volunteer students depending upon the work done by them.

(C) DISCIPLINE

Total 200 marks (100 marks per semester) are earmarked under the head "Discipline" for every student in an academic session. In every semester, initially, every student will earn 50 marks and the award of marks out of the remaining 50 marks will be done at the end of a semester by the proctorial board of every class, separately, keeping in view the general discipline (Wearing of uniform; Attendance on National Days, Faculty and Institute functions; General behaviour with other students and teachers; Punctuality etc. during the semester) of the individual students. The Faculty Disciplinary Committee and/or Institute's Disciplinary and Results Committee may also impose punishments resulting in deduction of marks under the head of Discipline.

If a student is awarded punishment by various Committees and this results in a loss of more than 100 marks in a semester for indiscipline, the marks above 100 will be deducted from the marks earned by the student in the heads (A) and (B)

Note:

1. The marks will be awarded to the students out of 50 in the compulsory games and cultural & literary activities at the end of each semester, separately, and these will be sent to the examination department after they have been duly displayed on the notice boards. However, the performance of students in co-curricular activities will be mentioned in the result card of the even semester of an academic session.
2. The total marks for achievement earned by the students in the entire academic session in (i) Games and Sports (ii) Cultural & Literary Activities will be sent, separately to the examination department at the end of the even semester of an academic session.
3. The marks for discipline out of 100 will be sent to the examination department at the end of each semester in a session.

UNIFORM

1. Students are required to wear the prescribed uniform. Failure to do so may result in a fine and/or loss of marks in discipline, or any other disciplinary action.
2. Students' uniform with the following specification shall be applicable in the Institute.

Unnat Bharat

DEI is a leading participating institution of Government of India's Unnat Bharat Abhiyan which is inspired by the vision of transformational change in rural development processes by leveraging knowledge institutions to help build the architecture of an Inclusive India.

Waste Management @ DEI

Minimalism, simple living and optimal utilization of resources are among the core values of the Institute and the neighbourhood community. The campus is provided with a complete set of Garbage bins for wet and dry waste. The collection of garbage from these is done on daily basis. Wet waste and biomass are used for composting whereas paper waste, tetra packs, cotton fabrics are recycled through the paper recycling unit. A 150 cbm biogas plant is installed in dairy campus for production of biogas using Cow Dung which is easily available from the community dairy farm. The biogas is then used to generate electricity for lighting and heating applications in Gowshala. Its overall objectives are to make **DEI Zero Waste, Generate Wealth from Waste and Generate Biofuels from Waste.**

PERIODIC TESTS & END-SEMESTER EXAMINATIONS

INSTRUCTIONS TO STUDENTS

1. There is no substitute for sustained hard work and taking all the tests/end-semester examinations seriously and honestly.
2. Ensure that you do not enter the examination room/hall with any unwanted material like books, pages from books, notes, scripts, anything written on any part of your body or clothes/instrument box/calculator/admission card/identity card, old question paper etc., knowingly or unknowingly.
3. Before the start of any examination, you should, in your own interest, check your desk to see that nothing is written on it nor does it contain any papers inside it and your immediate surroundings are clean.
4. Do not write anything on the answer book except the essential entries on the cover page before the supply of the paper, in any case. This would be a very serious offence and would be treated just like any other case of using unfair means. Writing anything on the question paper, except your roll number, is equally a serious offence.

5. Before starting to write their answers, students should also ensure that answer books are not tampered with in any way, whatsoever. In case any tampering is noticed by them, it should be immediately brought to the notice of the concerned invigilator. Students should especially check that the alignment of the holed punch mark on each page in answer book is not disturbed, the stapling/binding of pages is not tampered with and that the total pages in the answer book are in accordance with the indicated number on the answer book. If later on, any answer book is found tampered with in any manner whatsoever, the student will be held responsible for it.
6. Enter the examination room/hall at least 10 minutes before the starting time so that there is no rush and you do not carry anything unwanted inadvertently for which you may be punished just because you were in a hurry and could not take the necessary precautions. You will have to pay dearly.
7. No one will be allowed to take the examination if he/ she comes later than 15 to 30 minutes from the start of the Class test/ End Semester Examination, respectively. However, in such cases the finishing time will remain as per schedule and no extra time will be given in any case to anyone.
8. Talking to other students during the examination amounts to use of unfair means.
9. Bring all the possible and permissible items of use like pen, pencil, scale, eraser, coloured pencil/pen, non-programmable calculator (unless not allowed) etc. yourself as borrowing them from others during the examination will not be permitted.
10. **Carry the identity card with you during the examination positively. In the absence of an identity card, a PDF printout of the CMS generated registration form filed up by you at the beginning of the semester must be shown.**
11. Show due respect to all the invigilators and the members of the Flying Squad, irrespective of whether they are your direct teachers or not. Misbehaviour with the invigilators/members of the Flying Squad will be considered as a serious offence.
12. Put your roll number on the right hand top corner of the front page of your question paper before you start answering the question paper and also check that the question paper contains all the questions so that remedial action may be taken, failing which nothing will be done later.
13. If you are found using unfair means, defending the wrong action by telling lies or misbehaving will aggravate the guilt and increase the punishment. Refusing to make a statement or to sign relevant documents will also go against you.
14. The marks obtained in the continuous assessment can be questioned by a student only within ten days of their display on the notice board of the respective faculty/college and beyond that date the marksheet signed by the course teacher, Head of the department and the Dean/Principal concerned shall be the conclusive proof of the marks obtained by the student and, thereafter,

the marks so obtained shall not be subject to any revision/scrutiny, whatsoever. If marks are not displayed for any reason whatsoever, till six days before the semester break, students should complain in writing to the Assistant Registrar (Academic)/Director of the Institute. Finally, they should leave the Institute only after they have seen the displayed award lists.

15. Scrutiny of the awards obtained in written and/or practical end-semester examinations may be conducted on an application made not later than one month after the declaration of the results, and on payment of scheduled fee in the Institute.
16. DHAs and CAs: At DEI both the DHA (Daily Home Assignment) and the CA (Class Assignment) have been implemented with the aim to offer students a chance to improve their overall performance on an on-going. The CA is a weekly quiz which tests the students on the topics covered in class during that week, which have already been explored and understood in the DHAs done during that week. DHA's are quiz-type or short answer type whereas CA's can be objective or subjective type or mix of both.

CRITERIA FOR AWARD OF ATTENDANCE MARKS

Attendance Percentage	Theory Courses	Practical Courses
	Max. Marks: 10	Max. Marks: 20
Below 65%	Zero	Zero
65% to below 75%	2	4
75% to below 85%	4	8
85% to below 90%	6	12
90% to below 95%	8	16
95% and above	10	20

LATE REGISTRATION DUE TO REMEDIAL EXAMINATION

Attendance of those candidates who take remedial examination will be counted from the day they register for courses or up to one week from the date of declaration of remedial examination result, whichever is earlier.

RELAXATION IN ATTENDANCE REQUIREMENTS DURING THE PERIOD OF ILLNESS

The period of illness of a student, resulting in his/her absence from classes will not be considered for the purpose of calculation of the attendance percentage in classes unless he/she fulfils the following conditions:

- If the Institute has received information regarding his/her illness within a week of commencement of illness.
- If the period of illness is two or more weeks but not more than half a semester at a stretch.
- If the student has not availed condoning of attendance period earlier in the same semester on account of his/her illness.

- If the student has registered an attendance of more than 90% during the semester, excluding the concerned period of absence from the Institute on account of illness.

However, it is also stated that if a student is absent in a semester on account of illness for a continuous period of more than half a semester then the student concerned will have to withdraw from that semester/session.

GRADING METHODOLOGY

In order to offer a level playing field to students across different programmes, the grading system is used to evaluate individual performance. Based on their academic performance, students are graded on a 11-point scale. Further, it is ensured that a student is not in position of loss because of the grading methodology.

In order to arrive upon the lower cut-point of various grades, the median of the scores of a course is computed, ensuring that 50% of the students of the class are above the mark and 50% are below. A histogram is normally drawn to fix the grades. A natural gap/through generally lies between any two consecutive grades. The lower cut-point of “A” grade is normally not fixed below 80% marks. “D-” is the grade for just pass and is normally awarded for scores around 30% and above.

For UG Courses, the median should preferably lie between “B-“ and “C” and 10-20% students should lie in “A” and “A-“ for a large class while for a normal class, majority of the students should lie in the range “B” to “C-“.

For PG Courses, grades should normally lie between “A” to “C- “and grades “D” to “F” are given for poor or very poor performance.

For Laboratory Courses, grading may be restricted between “A” to “C-“ with grades “D” to “F” being awarded only in case of poor and very poor performance.

For a batch of students that performs badly there may be lesser number of “A’s”, conversely there may be more if the batch performs exceptionally well.

If separate sections of a course are evaluated by separate teachers, normalization of marks may be done and then grading may be done for the entire set.

The lower cut-points of grades are displayed or notified only after they have been vetted by the Department-level Moderation Committee and the Institute-level Moderation Committee and are final and binding on all.

RECOGNITION OF ACADEMIC MERIT

The Institute awards several medals for achieving distinction in academics. Director’s medals are awarded for securing highest marks in High School, Intermediate, Technical Diploma and P.G. Diploma, and various undergraduate and post-graduate examinations. Director’s Medals are also awarded for securing highest marks in

Students are advised to devote their time and energy to studies and co- and extra-curricular activities organised in the Institute, as per the calendar already provided, and aim at achieving distinction during their stay at the Institute.

DISCIPLINE & STUDENTS' WELFARE

DEI lays great stress on discipline. Each student is provided with an identity card at the beginning of the session and has to wear the I-card at all times in the campus so that his/her identity as a student of the Institute is obvious.

Students are not allowed to carry and use mobile phones in the campus. Any student bringing a mobile phone to campus should deposit it in the Dean's/Principal's office in the morning and take it back in the evening. In case he/she wishes to make an urgent call it may be done in the presence of the Dean/Principal/ Head of the Department.

Students should not litter the campus. Use of plastic bags is also banned in the campus. Students should not carry/chew pan masala/gutka or smoke in the campus.

If a student leaves without informing the proctor before the stipulated time, then this will be considered as an act of indiscipline. Maintenance of class furniture and decorum is the responsibility of students. After the class is over, it is the duty of students to put stools or chairs back in place, clean tables, board and switch off lights and fans etc.

Hostels

Limited accommodation in the hostels of the Institute and those run by Educational Societies in Dayalbagh is available to students, both boys and girls, who are prepared to live a simple, disciplined and studious life in harmony with other inmates. Students who are desirous of having such accommodation should apply on a prescribed form with a passport size photograph to the Chief Warden of the concerned Hostel, through the respective Deans after their admission to the Institute. Students shall be recommended for hostel admission on the basis of merit and availability of seats but admission to Institute does not guarantee a seat in hostel. Only vegetarian food is served in the hostel. Alcohol, drugs and other intoxicants are strictly prohibited.

DEI has taken the initiative of enhancing student welfare and development through the council of Dean of Student Affairs (DOSA). This council focuses on the issues which affect teaching, learning, student well-being and development.
