The above Research Advisory Council (RAC) and Research & Development Cell (RDC); consisting of the above Committees; are being constituted in the Institute with the Vision to create a robust research ecosystem aligned with the provisions of NEP-2020 [Reference: Guidelines for Establishment of Research & Development Cell In Higher Education Institutions, UGC, March 2022]. The aims and objects of the RDC Cell would be to create an organizational structure with role-based functions of RDC, formulate Research Policy for the Institute, identify thrust areas of research, and form related cluster groups/frontline teams/consortia of researchers. The functions of the RDC cell would be related to the following aspects: Governance, Administration, Research Ecosystem and Collaborations, Information Management Systems, Human Resources, Research Promotion and Guidance, Research Thrust areas, Incentives and Recognition, Technology Development, Business Centered Facility, Finance, Integrity and Ethics, Capacity Building, and Research Monitoring. The various sub-committees formed would address various aspects of the above functions.

Anand Mohan
