PROLOGUE

The Dayalbagh Educational Institute (DEI) is located amidst the tranquil environs of Dayalbagh, a self-contained colony renowned for its serene environment and secular establishments. The DEI Education Policy was conceived, planned, formulated, crystallized and executed by the Supreme Teacher and Founder Director of DEI in the year 1975. The Government of India promulgated its National Education Policy in 1986. A comparison between the two reveal various common aspects implying the Education Policy of DEI anticipated eleven years earlier those aspects beneficial to the country which were incorporated in the National Policy of Education later in 1986.

Based on the principles of co-operation, unity, service and success the institute aims to promote value education among its students. DEI has been pioneer in implementing the social service and community development programs since its inception. Social service is an integral component (under rural development) of DEI's program of innovative and comprehensive undergraduate education which combines academic excellence with social relevance.

After becoming 100 percent solar campus and doing wonders in this very domain another milestone was achieved by the Institute when it turned into a complete digital campus. Digitization and transparency in financial transactions as an urgent need of the nation has always been acknowledged and adopted by the Institute. In DEI and its ICT/ Distance Education Centers, almost all the micro/ macro payments, viz., payments to vendors in the interest of the institute, payment of salaries to the faculty members, support staff and other wage earners are made through e-banking mode. Even fee collection, payments of scholarships and payment of caution money is made only in e-mode.

NATIONAL SERVICE SCHEME (NSS)

The Motto of NSS "Not Me But You", reflects the essence of democratic living and upholds the need for self-less service. NSS helps the students develop appreciation to other person's point of view and also show consideration to other living beings. The philosophy of the NSS is well doctined in this motto, which underlines/on the belief that the welfare .of an individual is ultimately dependent on the welfare of the society on the whole and therefore, the NSS volunteers shall strive for the well-being of the society.

NSS@DEI

The Institute has been pioneer in implementing the NSS since its inception in UP Social service is an integral component (under Rural Development) of DEI's program of innovative and comprehensive undergraduate education, which combines academic excellence with social relevance.

Ambience of an active, disciplined, socially sensitive and co-operative community life and work ethic at Dayalbagh with its multi-faceted infrastructure of agriculture, education and

industry, provide the basic thrust for social work in surrounding villages. Starting with only two units of 100 students each and two project officers in 1970 the Institute has 2500 students on roll in NSS with 25 Program Officers and a Program Coordinator. With the coordinated effort of all the faculties, multi-pronged efforts have been made to make a more effective contribution towards rural reconstruction. Participation in NSS Camp is compulsory for all students in the first semester of their course of study.

NSS in DEI aims at is developing personality of students through community service. In order to fulfill the objective, student volunteers and program functionaries are engaged in constructive and productive programs involving students in various Awareness Drives, Shramdaan, Cleanliness Drive, Social Reforms, Communal Harmony, Creation of Community Assets, Relief Work, Blood Donation, Tree Plantation and Environmental Protection, Literacy Program, Health Education Campaign, etc.

Organization of Free Medical & Rural Assistance Camps initiated in June 2010 under NSS is unique and Innovative Program of the Institute. These Camps aim at providing comprehensive package of Health, Awareness and Assistance to People including Children, Youth, and women of nearby rural areas. The services offered in these Camps include Free Medical Services, Hole in the Wall Program for Rural Children, Children Recreation Facilities, Center for Spoken English, Education and Career Counseling, Rural Assistance (Advisory Service on Agriculture/ Dairying/ Skill Development Programs/ Awareness Programs etc.), and Chaupal for developing Culture and Ethics among people of nearby rural areas.

These Camps are highly appreciated by Government Officials, Medical Practitioners, Social Activists, Dignitaries of NGOs, Scientists from Government Research Institutions (DRDO, CDRI, IARI etc.), Dr. Ram Shankar Katheria, Minister for States, Ministry of Human Resource Development and also Visitors from France, US, Germany, Hong Kong etc. They interacted with villagers, students and beneficiaries in the camp and congratulated NSS, DEI for working for the under-privileged. Till March 2017, the NSS Wing of the Institute organized 165 Free Medical & Rural Assistance Camps.

NSS EVENTS ORGANIZED DURING 2017-18

NSS is one of the essential components of the curriculum of the Institute. The performance of the volunteers is evaluated through a compulsory course at UG level. The break-up of marks for evaluation is as follows.

General Activities	: 100 Marks
Special Camp	: 70 Marks
Written Examinations	: 30 Marks

The Registration and Orientation Program for NSS volunteers were conducted during July – August, 2017.

For Outstanding contribution in “Swacchh Rail Swacchh Bharat Campaign” of Indian Railways, Government of India, NSS Volunteers of the Institute were highly appreciated by the DRM and officials of the Commercial Department, Agra Division. In recognition of the efforts of team, Mr. M.N. Ojha, Chief Commercial Manager, Indian Railways, North-Central Zone, Allahabad honored all Student Volunteers and NSS Officials (Prof. Swami Prasad Saxena, NSS Coordinator, Dr. Ranjeet Kumar and Dr. Rajiv Ranjan, NSS Program Officers) with “Certificate of Appreciation”. Ms. Rashmi Baghel, Commercial Manager and Mr. Shiv Kalyan, Deputy Commercial Manager, Agra Zone was also present on this occasion.

In Swachh Bharat Summer Internship (SBSI) Program of Ministry of Human Resource Development, Government of India, registrations of 265 students were approved. Out of this 103 individuals and teams, involving 112 interns successfully completed their task and submitted their reports on SBSI portal. Three interns namely, Ms. Tezna Singh, Mr. Harsh Saxena and Ms. Manisha Kumari were awarded as “Best Interns” at University level.

INNOVATIVE AND UNIQUE NSS ACTIVITIES

FREE MEDICAL AND ASSISTANCE CAMPS (FMAC)

The NSS Cell of the Institute celebrates and organizes a variety of programs/ activities under the banner of NSS every year. These included Innovative Activities, Regular/ Government Directed Activities and NSS Seven Day Special Camp.

Organization of “Free Medical and Assistance Camps” (FMAC) on regular (Fortnightly) basis in nearby Rural Areas for the benefit of Villagers and People of Neighborhood Community is an Innovative Program of the Institute. These Camps are organized with the help of Team of Doctors and Para-medical Staff of Saran Ashram Hospital, Dayalbagh, Agra, Faculty Members and Staff of the Institute, Scientists from Other Reputed Institutions/ Research Organizations, NSS Functionaries (Program Coordinator, Program Officers and Staff and NSS Volunteers on the Institute

The Services offered in these Camps are divided in Three Broad Categories. These are Multi-Specialty Free Medical Services, Children Development Services and Socioeconomic Development Services.

MULTI-SPECIALTY FREE MEDICAL SERVICES

Objective: To provide Multi-Specialty Free Medical Services to Villagers and People of Neighborhood Community.

The Multi-Specialty Free Medical Services are the foremost services initiated on 27 June 2010. These are offered in association with the Doctors and Para-medical staff of the Saran Ashram Hospital, Dayalbagh, Agra. The team of doctors in these camps consists of General Physicians, Surgeons, Heart Specialists, Eye Specialists, Child Specialists, Dentists, Chest & Tuberculosis Specialists, ENT Specialists, Physiotherapists, Gynecologists, Pathologists and Radiologists.

Apart from this, Specialists from the traditional field of Ayurveda and Homeopathy also render their services. The facilities provided to people in these Camps include Free Medical Check-up, Free Pathological Tests (Hemoglobin, Blood Sugar, Blood Culture etc.), Free ECG & Ultrasound, and Free Medicines (Prescribed by Doctors)

CHILDREN DEVELOPMENT SERVICES

For the Multifaceted Development of Children of Deprived Section of Society, Financially Downtrodden, Children of nearby Villages and Neighbourhood Community, we conduct several activities in Free Medical and Rural Assistance Camps. These are Hole in the Wall Program, Children Recreation Facilities and Spoken English Facilities

1. Hole in the Wall Program

Objective: To facilitate children of nearby Villages and Neighborhood Community to develop basic computer skills.

Hole in the Wall, an activity to facilitate Children of the nearby Villages and Neighborhood Community to develop basic computer knowledge/ skills was started on 27 March 2011. In this program, children are provided multimedia computers with big displays, speakers, and specially designed /selected computer applications and the right environment for rapid peer learning. The facility with supervision and peer learning environment provides them a great opportunity to give up their hesitation or inhibition, quickly pick up computer skills and become conversant in basic Information and Communication Technology (ICT) skills.

Our method of conducting Hole in the Wall Program is Unique and Effective in the sense that we not only provide the infrastructure and environment, but also guide, monitor and track the progress of Children by using a well designed and structured program in a way to carefully build their skills step-by-step.

The program is designed to teach carefully the Children step-by-step the handling of Mouse (proper positioning of the mouse pointer, clicking, drag and drop, etc.), Handling of Keyboard and Typing, Basics of operating system, utilities, launching and closing applications, shutdown procedure, multi-media controls, copying files to pen drive, etc. Then they are introduced to advanced topics.

Some of the interesting applications/topics used for the purpose include Interactive Multimedia Edutainment Applications, Paint Applications with some of them having menus commands in Hindi language, Mathematical Puzzles, Memory Puzzles, Sudoku etc., Interactive Pictionary, Talking Dictionary, Popular Hindi and English Animated Rhymes, Songs and Stories, Documentaries Films on a various topics, e.g. Cleanliness, Health & Hygiene, Environment, Importance of Education, National Awareness, General Knowledge, etc., Microsoft Office (Word, Power Point and Excel) and Use of Internet, Creating an Email Account and Use of Email, Web Searching etc

2. Children Recreation Services

Objective: To provide Recreation facilities to children of the nearby Villages and Neighborhood Community.

Children Recreation Facilities for entertaining and developing mental abilities of Children of the nearby Villages and Neighborhood Community was started on 7 December 2014. In this program, children are provided Traditional Toys such as Carom, Chess, Ludo, Chinese Checker etc. to play and developing a sense of group living. They are also provided Mind Games such as Blocks, Puzzles etc. for developing their mental/ learning abilities in group.

The facility with supervision and peer learning environment provides them a great opportunity to refresh and make them sensible to understand others. Considering the fact that Healthy Mind persists in Healthy Body, we also started physical games for children. Sometimes, the teachers and Volunteers also train the children about Use of Waste Material, Making of Soft Toys, and Handmade Decorative Items.

3. Spoken English Facilities

Objective: To enable children of nearby Villages and Neighborhood Community to develop basic knowledge of English and Conversation.

English Speaking Services to develop understanding of Basic English and Conversation among Children of the nearby Villages and Neighborhood Community was started on 7 December 2014. In this program, Basic English Language of children is developed through Teaching and Interaction, and the Conversation skills are developed through Peer/ Group Interaction. Children are also provided Tablets equipped with Specially Designed English Speaking/ Interactive Software for developing English Speaking abilities and the learning the proper pronunciation of words.

SOCIO-ECONOMIC DEVELOPMENT SERVICES

For the Multifarious Development of Society at large, Old, Youth, School Dropouts, Housewives and Children of Financially Downtrodden Deprived Section of Society of nearby Villages and Neighborhood Community, we conduct several activities in Free Medical and Rural Assistance Camps. These are Social/ Community Assistance Services, Education & Career Counseling Services, Chaupal: Bhagvad Geeta Ke Updesh, and Vocational Training/ Skill Development Services.

1. Social/ Community Assistance Services

Objective: To understand basic problems related with Agriculture, Dairying, Water, Power, Sanitation etc. of people of nearby Villages and Neighborhood Community and to help / offer most feasible solution to them.

Social Assistance Services to help the people of nearby Villages and Neighborhood Community was started on 7 December 2014. In this program, Faculty Members of the Department of Botany of the Institute and Experts/ Scientists from Prestigious Institutions of the Country interact with People/ farmers of nearby villages and Neighborhood Community on various issues associated with Agriculture, Dairying, Water, Power and Sanitation. They also provide Laboratory Testing Facilities for Soil, Water, Milk etc. and also the information about HYV Seeds and Fertilizers especially Wormy Compost. The Team of Experts understands the problems of people associated with and offer most feasible solution.

2. Education & Career Counseling Services

Objective: To counsel and guide Youth of nearby Villages and Neighborhood Community about education options/ centers, and employment opportunities.

Education and Career Counseling Services to Counsel and Guide Youth of nearby Villages and Neighborhood Community about Education and Career Options was started on 7 December 2014. In this Cell, the Team of Faculty Members including Staff of Placement Cell of the Institute counsel and guide Youth (male and female both) about various Formal/ Non-Formal Education Programs, Vocational Training Programs and Skill Development Programs offered by our the Institute and other Institutions of the Country. They also made aware of various Employment Opportunities valuable according to their qualification, knowledge and Skill.

3. Chaupal: Bhagvad Geeta Ke Updesh

Objective: To develop culture and ethics among people of nearby Villages and Neighborhood Community through discussion.

Chaupal which mainly consists interaction on tenets of Bhagvad Geeta for developing culture, ethics and values among people of nearby Villages and Neighborhood Community was started on 7 December 2014. In this program, Faculty members of Sanskrit and Hindi Department and also the Experts of Theology and Culture interact with people on ethical issues by way of teachings of Bhagvad Geeta. Sometimes, people of nearby Villages and Neighborhood Community and also the Volunteers present Devotional/ Folk Songs on various themes.

4. Vocational Training/ Skill Development Services

Objective: To train and develop skills among Youth and Women of nearby Villages and Neighborhood Community in various vocational programs, such as Stitching, Sewing, Textile Printing, Soft Toys Making, Food Processing and Preservation etc.

The Vocational Training Services for Women and Youth of nearby Villages and Neighborhood Community was started on International Women Day (8 March 2015). In this Cell the Faculty Members and Staff of Home Science Department and the Team of Life Long Learning and Extension (LLLE) Section of the Institute train the Women and Youth about Training/ Skill Development Programs on Stitching, Sewing, Textile Printing, Soft Toys Making, Food Processing and Preservation, Craft Work, Handmade Decorative Items and Use of Waste Material.

During these camps Staff and Volunteers also organize Awareness Programs on various issues, viz., Cleanliness (Swachhata), Health, Hygiene, Malnutrition, Sanitation, Pollution and Environmental issues, Social Issues, Family Planning, Literacy, Women Empowerment, Beti-Bachao-Beti-Padhao, Voting Rights, Ill-effects of Parthenium, Evils of Evils of Tobacco,

Smoking, Drug Addiction, Critical health issues, e.g. Tuberculosis, AIDS, STD etc. through Discussion, Posters, Banners and Pamphlets. Sometimes, we distribute Old Clothes, Toys and Books, Stationery etc. to Financially Downtrodden and people/ children of Deprived Section of Society of nearby Villages and Neighborhood Community.
